## HOLIDAY GIFT SHOP HOURS

Beginning Nov 6th our gift shop will be open to the public on **Wednesdays & Saturdays 9-5 !!** We will also be open **Sunday Dec 8th, Dec 15th & Dec 22 from 10-5 pm.** Closed after Dec 23rd. You will be able to see the moms and babies during these hours and we will also sell treats to feed them. No Tour.

All tours are by appointment. Tours take approximately 45-60 minutes. You must **text 6093841840** (or call if you don't text) to **reserve a spot**; PLEASE include your first name, how many are coming and which day/time. Our tours are educational and interactive **with** the animals. We charge \$10 per person (under 3 years is free). We have a gift shop at the farm and some other farm critters to meet. **Tours are cancelled if raining.** Make sure your GPS gets you just WEST of the parkway, on Wells Mills Rd in Waretown. We have a blue sign, across from vocational school. We will provide a treat for you to feed the animals and some printed literature with activities for paying children. We have ONE tour friendly wheelchair (no harness). If the tour times available do not work for you, please text us in advance and we will make a time that works for YOU. Thank You. We accept credit cards for our gift shop but request cash for the tour since it goes DIRECTLY to the Hay Delivery Man!
